

American Academy of Sleep Medicine

October 13, 2009

Thomas Gravelyn
Michigan Heart Sleep Center
760 W Eisenhower Parkway
Ste 200
Ann Arbor, MI 48108

Dear Dr. Gravelyn:

I am pleased to inform you that all provisos to AASM accreditation of your center has been met.

All provisos have now been met for full accreditation by the AASM. A press release announcing your full accreditation will be distributed to area media by the public relations coordinator at the national office. If you have questions regarding the release, please contact Kelly Wagner via e-mail at kwagner@aasmnet.org.

Your complimentary center accreditation certificate is enclosed. The facility name appears as printed above. Please note: certificate frames are available for purchase using the enclosed order form. If you desire a frame for your accreditation certificate, please place your order for item #5001-A (cherrywood frame) or #5002-A (black frame). If you desire additional certificates, please mark the appropriate items on the order form.

Your efforts to achieve accreditation have been significant and reflect commitment to the growth of the field of sleep medicine. Congratulations on what you and your colleagues have accomplished.

As a fully accredited center or laboratory, your facility is now eligible to become an AASM Center/Laboratory member. AASM Center/Laboratory members are listed on www.sleepcenters.org, may include the AASM Accredited Member logo in promotional materials, can order personalized brochures with your practice's contact information, and take advantage of discounts on products and courses. To apply for membership, simply return the enclosed membership application via fax or mail to the AASM national office.

Please inform the AASM national office of any changes in the structure or function of your center as they relate to the Standards for Accreditation. Information regarding changes to the structure or function of your program should be communicated to the AASM national office within 30 days of the date of the change.

Please contact the Accreditation Department at (708) 492-0930 for assistance.

Sincerely,

Demarée Dufour-Noneman
Director of Policy and Professional Standards
